rediscover the lost art of excellent writing a valuable skill through the ages and even more so in the twenty first century since the invention of writing the written word has fueled humanity s astonishing progress thus the ability to write effectively and beautifully has long been revered and rewarded and yet in the digital age people have begun to believe that this talent is somehow obsolete that writing is something unworthy of study beyond the basic mechanics of vocabulary and syntax and grammar that mediocre prose is acceptable in a world crying out for clear and precise communication peter yang believes otherwise the art of writing is yang s highly practical treatise on the four key principles of dazzling effective writing economy transparency variety and harmony far from your garden variety style guide this book offers principles that apply to everyone whether you re writing an inauguration speech a novel or a letter home to mom great writing is a skill and this book gives you the tools to make your words shimmer on the page or the screen packed with real world insights and advice the art of writing is your ultimate guide to transforming your writing and unleashing your inner artist

a classic handbook for anyone who needs to write writing with power speaks to everyone who has wrestled with words while seeking to gain power with them here peter elbow emphasizes that the essential activities underlying good writing and the essential exercises promoting it are really not difficult at all employing a cookbook approach elbow provides the reader and writer with various recipes for getting words down on paper for revising for dealing with an audience for getting feedback on a piece of writing and still other recipes for approaching the mystery of power in writing in a new introduction he offers his reflections on the original edition discusses the responses from people who have followed his techniques how his methods may differ from other processes and how his original topics are still

pertinent to today's writer by taking risks and embracing mistakes. Elbow hopes the writer may somehow find a hold on the creative process and be able to heighten two mentalities: the production of writing and the revision of it. From students and teachers to novelists and poets, writing with power reminds us that we can celebrate the uses of mystery, chaos, nonplanning, and magic while achieving analysis, conscious control, explicitness, and care in whatever it is we set down on paper.
