a new updated edition of this popular guide to conservation education concentrating largely on techniques and discussing why when and how to develop education materials and implement effective programs

in this collection of brief evocative vignettes penner traces the influence of pioneer roots on the present generation as he chronicles the transformation of the land from untouched prairie to productive farm as a boy young mil rubbed shoulders with the very pioneers who tamed the prairies and he now draws on those recollections and memories passed on by his father to make the past come alive book jacket
